

Environmental Management Policy

Sift Media Limited is committed to minimising the impact of its activities on the environment.

Sift Media is committed to:

- Proactively seeking alternatives to travel by encouraging the use of video calls, conference calls and collaboration software tools.
- Actively promoting recycling within the business to minimise waste.
- Sourcing environmentally friendly suppliers and products wherever possible to minimise our environmental impact.
- Supporting employees to use alternative modes of transport to travel to work.
- Minimising waste by evaluating operations to ensure they are as efficient as possible.

Tom Dunkerley
Sift Media Managing Director
